Join the Family Law Section of the Colorado Bar Association ...

The Family Law Section encourages you to take this opportunity to become a member. Membership has innumerable benefits, including a forum for the education of, and communication between, family law practitioners and their staff, judges, elected officials, the state bar association, and members of the public. Membership in the Section includes a quarterly newsletter containing the latest information on key legislation, listings and analyses of recent case law, and Section news; regular luncheons covering all areas of interest and concern to those involved in the practice of family law and from which luncheon attendees receive valuable CLE credits; regularly-scheduled CLE programs on substantive areas of family law; membership reports on changes in statewide and local rules, and views from the bench; and much, much more! To apply for membership, an individual must be a member of the Colorado Bar Association.

WEBCAST INFORMATION

WEBCASTING IS GREEN!

Course materials are provided in PDF format to all webcast attendees. If you prefer to receive the materials in paper form, you must make this request at the time of registration; the materials will be shipped when available and we cannot guarantee that you will receive them prior to the program.

WEBCASTING IS EASY!

THE MINIMUM SYSTEM REQUIREMENTS:

- Your computer should have a 500 MHz or higher processor and at least 128 mb of RAM
- A connection to the Internet of at least 700 kbps is highly recommended, and most people now have connections at that speed or faster. Check your speed now (or go to <http://www.speedtest.net/>)
- Course materials are delivered in PDF format. You will need a recent version of Adobe Reader. Free Download here: <http://get.adobe.com/reader/>

- Adobe Flash Player v. 11.X or higher (Free Download here: <http://get.adobe.com/flashplayer/>)
- Tablets and iOS devices will need a web browser and a high speed wi-fi connection. Our video is encoded HTML5 compliant x264 format which will play on any contemporary device with sufficient bandwidth.
- You will also need a sound card and speakers, and a current web browser
