# COLORADO'S PREMIER FAMILY LAW CONFERENCE

It's 2019, and our world and field of practice are rapidly evolving. To remain efficient and effective, family law practitioners need to be aware of and open to changing perspectives!

Attend this year's Family Law Institute on August 15, 16, and 17 in beautiful Vail, CO.

At this year's Institute, hear from experienced attorneys, professionals, and more than a dozen judicial officers on topics like collaborative law, preserving issues for appeal, and alienation and familial repair. Attend practical sessions that will build your skill base, including a multi-session courtroom practicum. Learn the ins and outs of child hearsay, tips on preparing a relocation case for trial, and guidance for organizing and presenting a one-hour temporary orders hearing.

### **DON'T MISS THIS YEAR'S INSTITUTE FEATURING**

Lori Poland, MA, LPC, Executive Director and Co-Founder of The National Foundation to End Child Abuse and Neglect

The Health Impacts of Child Abuse and Neglect; Childhood Trauma, ACES, and What We Can Do to Help

Lori Poland is a childhood survivor of a high-profile child abuse case, and has since devoted her life and career to ending child abuse and neglect, and to healing cycles of violence. She has spent 19 years working in mental health and the nonprofit sector as a therapist, leaving the highly successful clinic she founded to assume the chief executive role at the National Foundation to End Child Abuse and Neglect. She travels nationally as a motivational speaker talking about the effects of trauma on children and families, and has consulted within the legal system to advocate for change in the field and to develop greater understanding.

Abe Wagner, MSW, Director of Abe Wagner & Associates Inc.

### **Resolving Conflict: Persecutor, Rescuer, Victim**

Abe Wagner is a corporate trainer, author, and convention speaker with 40 years of experience in management and training.

He is the author of *Say It Straight Or You'll Show It Crooked* and *The Transactional Manager*. His presentations are an elegant blend of Transactional Analysis (TA), Neuro-Linguistic Programming (NLP), communication and management principles, common sense, and humor, delivered in a thought-provoking and entertaining way. Abe has trained and consulted in 35+ countries and all 50 states.

# Family Law Practicum

Join judges and experienced family law practitioners for the Family Law Institute's fourth hands-on trial practicum. Focused on effective courtroom techniques for family lawyers of all skill levels, it will include small interactive groups centered on one fact pattern, and on tools and techniques for persuasive and efficient advocacy.

You will also role-play and practice your technique while faculty members give you individual feedback, plus discussion and instruction from some of the most knowledgeable family law judges and litigators in Colorado.

PRACTICUM I: Courtroom Etiquette, Exhibits, Direct Examination, and Offers of Proof

PRACTICUM II: Child Hearsay and Emergency Hearings – Listening to Kids Outside the Courtroom
