THIRD ANNUAL Cannabis SYMPOSIUM

Co-sponsored by the Colorado Bar Association Cannabis Law Committee

Colorado continues to be viewed by many as the state that has it dialed in in terms of regulatory framework, free market approach to licensing, and enforcement protocols. Colorado leads the nation in hemp acreage and is now seeing the intellectual property that has developed over the last decade being deployed throughout the country in other emerging cannabis markets. Join us on February 13, 2019 to hear from some of the top thought leaders on a wide range of topics useful for advisors, operators, and investors in the cannabis sector.
